### SELF-REGULATION STRATEGIES

*Self-regulation* is the ability to control emotions, thoughts, behaviors, and impulses. When adults are calm and self-regulated, they can better support children's emotional development and help them learn to manage their emotions, thoughts, and behaviors. ### ALIGN PATHWAYS FOR IMPROVED OUTCOMES

Do you know what CCWMMR stands for? The College, Career, Workforce, & Military Readiness component is the newest addition to the [state report card](#). This data could become part of the official state report card as early as 2024-25. Schedule a time to learn more about the CCWMMR component, review your building's current data, and explore ways to align career readiness pathways to boost student performance by emailing our CTE Consultant - Kennie Searight at [searight@sstr2.org](mailto:searight@sstr2.org).

## TRANSITION

Congratulations to the following districts for applying and receiving the Transition Enhancement Mini-Grant funds: Amherst, Avon, Oberlin, ESC of Lorain County, Townsend Community School, and North Ridgeville. We are looking forward to seeing your transition-age youth programming enriched through this funding.

## PBIS

Now is the time for school PBIS teams to administer their Fall PBIS Tiered Fidelity Inventory (TFI). The data collected will be used to create the three action steps that will be echoed and accomplished throughout the school year. This way, teams will also have some great baseline data for the Spring TFI administration, so teams will be able to track and share their implementation progress. To download your copy of the TFI, click [HERE](#). For PBIS TFI guidance, please feel free to email Joshua Preece: [preece@sstr2.org](mailto:preece@sstr2.org).

## EARLY CHILDHOOD

The Preschool IDEA Monitoring risk assessment process is underway! Updates to the process as well as a list of programs selected for monitoring activities will be released in the coming weeks. Learn more about monitoring [here](#). Join SST2 for an [Intro to Preschool IDEA Monitoring](#) virtual training on 11/1/24 at 8:30.

## SPECIAL EDUCATION

Compliance indicators for Special Education Profiles (SPP) will be available in December through the Special Education Profiles and Ratings app in [OH/ID](#). New district staff should check their access, and all special education leaders are encouraged to review their 23/24 profile data, based on the 22/23 results.
