Alternate Assessment Administrator Trainings for 2019-2020

Beginning in 2020, the Alternate Assessment for Students with Significant Cognitive Disabilities (AASCD) is shifting from its current version (AASCD 1.0) to an online assessment (AASCD 2.0). This training will provide attendees with the knowledge necessary to administer the AASCD 2.0. This training is mandatory for anyone who has not been trained to administer the AASCD 1.0 and highly encouraged for those who have been previously trained and/or administered the AASCD 1.0.

Please note: Second Raters are not required in the administration of the AASCD 2.0.
