The Educational Service Center of Lorain County and State Support Team Region 2 will be hosting an EVAAS informational session. The session will provide a review for seasoned EVAAS users as well support for those new to navigating and using the EVASS reporting system. The recommended audience for this training is building/district administrators. Participants will review simulated district, school, teacher, and student reports while exploring opportunities to improve student achievement and growth.

Participants will receive replicable activities for district use.

There is no charge for this professional development; however, preregistration is required.

Presenters:

Vicky Timko, SST 2
Moira Erwine, ESCLC
