Professional Learning Description:

As we move forward to build capacity and sustainability in aligning Ohio's Plan to Raise Literacy Achievement with local needs, we encourage district leadership and district coaches to attend any or all meetings. Together we can make a world of difference for Ohio's children.

Learning Objectives:

- To understand and base district decision making on science of reading research and work to measure efficacy of current practices.
- District leadership and/or coaches will implement local literacy plans and work through how they do business.
- Become innovators to improve K-3 Literacy Improvement Measure within their districts.
